Our Concept:

The Next level Soccer Camps, Inc. has developed the High School Boys Preseason SUPER Camp for players who want to strive to play at **THE NEXT LEVEL**. This is an individual and team camp designed to prepare any player for the freshman, junior varsity or varsity soccer teams. Each player will receive quality-training sessions from top College, High School, and Club Coaches from around the State. The players will have a different coach each day and will work on the four major components of soccer: technique, tactics, fitness, and the psychological dimensions of the game. On the final day we will conclude with a World Cup Tournament. A separate training session specializing in the development of the Goalkeeper will also be provided.

The Coaching Staff is committed to provide competitive training sessions to help you reach **THE NEXT LEVEL**.

Facilities:

Uihlein Soccer Park is a Premier Soccer Facility in Wisconsin and the Midwest. In case of inclement weather, indoor facilities will be available.
